GALA DINNER

- **Tuesday, May 3, 2011** at 8:00pm
- Tickets: **\$80 USD per person**

DINNER AT ALTITUDE 737

This year's Gala Dinner will leave you feeling like you have seen all that downtown Montréal has to offer—literally! Please join us on the evening of Tuesday, May 3, at **Altitude 737**, a venue which draws its name from its distance to the Earth, as it is located on the penthouse of the highest building in the city. Just across the street from *Fairmont The Queen Elizabeth*—and accessible via Montreal's Underground City, the largest underground complex in the world—**Altitude 737** promises breathtaking views of Canada's “Cultural Capital.”

Your ticket to the Gala Dinner includes one complimentary cocktail; an appetizer and soup; a choice of plated entrée; red or white wine; and dessert with coffee/tea service.

As an additional treat, students from McGill University's *Schulich School of Music* will entertain you with jazz music for which the city is renowned.

NEW SCHOLARS SOIRÉE

- **Tuesday, May 3, 2011** at 7:15pm
- Tickets: **\$30 USD per person**

ST. LAWRENCE RIVER CRUISE AND HISTORIC OLD MONTRÉAL WALKING TOUR

CIES 2011 Montréal is delighted to announce the introduction of a new social event geared towards the Society's junior members. Recent doctoral recipients and graduate students are invited to the New Scholars Soirée aboard a two-hour river cruise, which also includes a light supper.

Departing from Montréal's Quays of the Old Port, the **Cavalier Maxim** will sail along the enchanting St. Lawrence River, taking in electrifying, panoramic views of the city at night. Best of all, you will be escorted from the conference site to the boat dock via an informative walking tour through charming Old Montréal, the birthplace of Canada.

The light supper will include a panini (roast beef, chicken, or vegetarian), two side salads, and a choice of soft drink, coffee, or tea.

If you have any other special needs or dietary restrictions, you will be able to indicate this as you complete the online registration process.
